Information about birth certificates:
 Most Minnesota vital record information is public information. When a record is public, information and certificates are available to individuals who meet the legal requirements in items 1 - 14 below. Other vital record information is confidential. Data about the birth of a child to a woman who was not married to the child's father when that child was conceived or born are confidential. When a record is confidential, information and birth certificates are restricted to those persons listed below in items 15 - 19.

MANDATORY — Check the boxes below that describe your relationship to the subject of the record:
