

Southeast MN Leadership Summit
Showcasing the progress SE MN Counties have made in improving quality, efficiency, collaboration, access and cost savings to services for our residents.

January 25, 2010
St. Charles Borromeo Church – 1900 East 6th Street (Hwy 14)
St. Charles, MN

- * You and other area legislators from AMC District 9 are invited to join county commissioners & staff at a regional county-state leadership summit.
- * We will hear updates on new and continuing collaboration and service redesign in 4 areas of state-county government services: public health, highways, environmental services, and human services.
- * Our current model of service delivery is unsustainable. We ask you to help us look to the future. Let us work together to share and bring forward ideas for our next steps.
- *How can we organize to provide what our citizens need in a more efficient, effective manner?

Agenda:
